## To Whom It May Concern

Mozilla

Dear Sir/Madam,

I am writing in response to your posting on Indeed for **Mozilla VPN Engineer Student Worker (Werkstudent)**.

I believe I am skillfully suited for this position as I would bring a broad range of skills to your company, including my proficiency in C Language and JavaScript as well as C# which is used prominently in Unity, and my experience in Game Development via Unity Game Engine as reflected on my portfolio. I am currently working as a Smart System Intern as my co-op program enabled me to, which has provided me a hands-on experience with software development and maintenance out in the open.

I would gladly welcome the opportunity to further discuss this position with you if you would be kind enough to grant me the opportunity to do so. If you have questions or would like to schedule an interview, please contact me by phone at (647)-574-0524 or by e-mail at [fahimsiddiqui1997@gmail.com](mailto:fahimsiddiqui1997@gmail.com). I have enclosed my resume and linked my portfolio for your consideration.

Sincerely,

Fahim Siddiqui
